About Lia:

Known for providing dynamic, relevant solutions, Lia's passion for the art of communication and its life-changing impact is both inspiring and contagious. She is an experienced speaker to and for companies, non-profits, and political candidates.

Lia has industry experience in Advertising & PR, Securities, Human Resources, College Education and Commercial Real Estate which she easily adapts to her consulting clients and audiences.

She is a versatile communicator who LOVES what she does. She is dedicated to providing tools, insight and motivation to a variety of audiences from engineers to actors or CEO's to ministers. Each group finds her talks engaging and substantive. With degrees in Public Speaking and Theater she can speak to the head and to the heart of her audiences.
